

Why not club together with friends and neighbours for a group survey?

PHCS also offers group under floor surveys at a discounted rate. This is an opportunity to rally neighbours together to take advantage of a reduced fee. The full inspection service will be exactly the same followed up by a comprehensive, fully detailed written report.

For 5 residents and more, PHCS will offer surveys at **£120** inclusive VAT, per park home resident. (Normal price is **£190** inclusive VAT)

Like some help to promote a group survey on your site?

PHCS is also always happy to visit groups of residents on site, whether it be at a residents coffee morning or an AGM, to explain the reasons for, and benefits of, having an under floor inspection.

PHCS can also provide informational letters to explain their inspection services with accompanying leaflets to circulate to other residents.

// I am SO PLEASED with the way in which the surveyor did the inspection, his overall manner and **EXPERT** opinion were very much to his credit. The report is very detailed and comprehensive. We would definitely recommend PHCS! **//**

Robert Frendt
Nidderdale Lodge Park

// I found your surveyor and staff extremely HELPFUL and informative. It has given me PEACE OF MIND and would recommend PHCS without reservation. Again, thank you for all your efforts. **//**

Maura Lyons,
Heatherdown.
